With four returning senior lettermen and a Skyline Conference championship, the 1968 Lancer baseball team has a great chance of retaining its title and going on to bigger and better things. To start off its season the Lancers topped Kinnelon and Waldwick. Lakeland's team has the drive to win and great potential as a team. With Mr. Snaith as coach, Lakeland is sure to be going places.

(Missing from the senior individual pictures is Bill Wilson, a letterman.)
